Thanks Callie. Sounds like it was a worthwhile call.

Good morning Deb

Randy's scheduler did not cancel due to your travel schedule as requested yesterday by Stephanie. Randy and Andrew Baca from AIEO were on the call.

A couple of things came out of it.

Lead Region: Randy will chat with you tomorrow about transition here in the Region. Randy wants to know the likely acting Deputy if you become the acting RA. The reason for the question is what kind of briefings would we need to do to get that person up to speed with OITA/AIEO lead region activities/issues.

Being I had both of them on the call I wanted to make sure they were clued into a couple of Region 8 specific issues in which HQ is involved this week.

1. <!--[if !supportLists]--><![endif]-->Ute concerns about the FIP and the meeting with OMB today and Jane N./HQ air tomorrow. There is a briefing for HQ at 1030 today in prep for tomorrows call. I am sure if anything comes out of that – Martin will let you know.
2. <!--[if !supportLists]--><![endif]-->Dewey Burdock briefing for Gina on Friday -
 - a. <!--[if !supportLists]--><![endif]-->Andrew mentioned that Gina will be briefed next Tuesday on a Region 9 UIC issue at Florence Copper in Arizona. NHPA has been triggered there and treaty rights is also a potential topic. I will reach out to Darcy to let her know about the R9 briefing next week.
